**PROXY STATEMENT  
FOR  
ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD ON DECEMBER 14, 2022**

---

**PROXY STATEMENT**

This proxy statement (the “Proxy Statement”) is furnished in connection with the solicitation of proxies by the Board of Directors of The Mexico Equity and Income Fund, Inc. (the “Fund”) for use at the Annual Meeting of Stockholders (the “Meeting”) to be held on December 14, 2022 at 1:00 p.m., Eastern time, at the offices of Blank Rome LLP, 1271 Avenue of the Americas, 16th Floor, New York, NY 10020, and at any and all adjournments or postponements thereof. A form of proxy for each of the holders of shares of the Fund’s common stock (the “Stockholders”) is enclosed herewith. This Proxy Statement and accompanying forms of proxy are being first mailed to Stockholders on or about November 18, 2022.

The presence, in person or by proxy, of Stockholders entitled to cast a majority of the votes entitled to be cast at the Meeting (i.e., the presence of a majority of the outstanding shares of common stock of the Fund on the record date, October 18, 2022) is necessary to constitute a quorum for the transaction of business. In the event that a quorum is not present at the Meeting, or if a quorum is present at the Meeting but sufficient votes to approve any of the proposals are not received, the chairman of the Meeting may adjourn the Meeting, or the persons named as proxies may propose one or more adjournments of the Meeting to a date not more than one hundred twenty (120) days after the original record date to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of a majority of those shares represented at the Meeting in person or by proxy. A Stockholder vote may be taken on one or more of the proposals in this Proxy Statement prior to any such adjournment if sufficient votes have been received and it is otherwise appropriate. The persons named as proxies will vote those proxies that they are entitled to vote “FOR” or “AGAINST” any such proposal in their discretion.

Stockholders can vote by Internet by going to the following website address, [www.proxyvote.com](http://www.proxyvote.com); by telephone, using the toll-free number listed on the proxy card; or by mail by completing the proxy card and returning it in the envelope provided. If the enclosed proxy is executed and returned, or an internet or telephonic vote is delivered, that vote may nevertheless be revoked at any time prior to its use by written notification received by the Fund, by the execution of a later-dated proxy, by the Fund's receipt of a subsequent valid internet or telephonic vote, or by attending the Meeting and voting in person. To be effective, such revocation must be received by the Fund prior to the Meeting and must indicate the Stockholder’s name and account number. Unrevoked proxies will be voted in accordance with the specifications therein and, unless specified to the contrary, will be voted “FOR” the election of the nominees for Class III Directors and “FOR” the amendment of the Fund's fundamental investment restriction related to borrowing or issuing senior securities.

In general, abstentions and broker non-votes (reflected by signed but unvoted proxies as to one or more proposals), as defined below, count for purposes of obtaining a quorum but do not count as votes cast with respect to any proposal where the broker does not have discretion. With respect to a proposal requiring the affirmative vote of a majority of the Fund’s outstanding shares of common stock, the effect of abstentions and broker non-votes is the same as a vote against such proposal. Otherwise, abstentions and broker non-votes will have no effect on the outcome of a proposal. Therefore, abstentions and broker non-votes would have the effect of voting against Proposal 2, but would have no effect on the outcome of Proposal 1. Broker non-votes occur when shares, held in the name of the broker or nominees for whom an executed proxy is received by the Fund, are not voted on a proposal

because voting instructions have not been received from the beneficial owners or persons entitled to vote and the broker or nominee does not have discretionary voting power.

Only holders of issued and outstanding shares of the Fund's common stock of record on the close of business on October 18, 2022 are entitled to notice of, and to vote at, the Meeting. Each such holder is entitled to one vote per share of common stock so held. On October 18, 2022, there were 4,400,209 shares of the Fund's common stock issued and outstanding. The Fund is a closed-end, management investment company.

A copy of the Fund's most recent annual report for the fiscal year ended July 31, 2022 and semi-annual report for the period ended January 31, 2022 may be obtained by visiting the Fund's website at [www.mxefund.com](http://www.mxefund.com) or may be ordered free of charge by any Stockholder by writing to the Fund c/o U.S. Bancorp Fund Services, LLC, 615 East Michigan Street, 4th Floor, Milwaukee, Wisconsin 53202, or by telephone at (877) 785-0376. These reports are also available on the U.S. Securities and Exchange Commission's (the "SEC") website at [www.sec.gov](http://www.sec.gov). The Fund's most recent annual report was mailed to Stockholders on or about September 29, 2022.

#### **Required Vote for Adoption of Proposals.**

Proposal 1 (to elect two Class III Directors to the Fund's Board of Directors) requires the affirmative vote of a majority of votes cast at the Meeting by the holders of the Fund's common stock voting in person or by proxy on such Proposal, provided a quorum is present. A "majority of the votes" cast means that the number of shares voted "FOR" a Director's election exceeds 50% of the number of votes cast with respect to that Director's election. For purposes of the election of Directors, (i) votes cast shall include direction to withhold authority and (ii) abstentions and broker non-votes will be counted as shares present for quorum purposes, but otherwise will have no effect on the majority vote required for such Director.

Proposal 2 (to amend the Fund's fundamental investment restriction related to borrowing or issuing senior securities) requires the affirmative vote of a "majority of the outstanding voting securities" of the Fund as defined in the Investment Company Act of 1940, as amended (the "1940 Act"). This means the lesser of (1) 67% or more of the shares of the Fund present at the Special Meeting if more than 50% of the outstanding shares of the Fund are present or represented by proxy, or (2) more than 50% of the outstanding shares of the Fund. For purposes of determining the presence of a quorum, abstentions and broker "non-votes" will have the effect of votes "against" Proposal 2.

## PROPOSAL 1: ELECTION OF DIRECTORS

In accordance with the Fund's Articles of Incorporation, the terms of the Fund's Board of Directors are staggered. The Board of Directors is divided into three classes: Class I, Class II and Class III, each class having a term of three years. Each year the term of office of one Class expires. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors.

The Board of Directors has nominated Glenn Goodstein and Gerald Hellerman to be elected by the holders of the Fund's common stock to serve as Class III Directors of the Fund. Each of Mr. Goodstein and Mr. Hellerman currently serves on the Board of Directors.

In the event that one or all of the nominees becomes unavailable for election for any presently unforeseen reason, the persons named in the form of proxy will vote for any successor nominee who shall be designated by the present Board of Directors. Each Class III Director shall be elected by a majority of the shares voting at the Meeting.

At the Meeting, the holders of the Fund's common stock will be asked to vote for the election of Mr. Goodstein and Mr. Hellerman as Class III Directors. If elected, Mr. Goodstein and Mr. Hellerman will each serve until the Fund's annual meeting of Stockholders in 2025 or until each of their respective successors are duly elected and qualified. If elected, Mr. Goodstein and Mr. Hellerman have each consented to serve as Director of the Fund until his successor is duly elected and qualified.

The persons named in the accompanying forms of proxy intend to vote at the Meeting (unless directed not to vote) "FOR" the election of Mr. Goodstein and Mr. Hellerman. The nominees named above have indicated that they will serve if elected, and the Board of Directors has no reason to believe that the nominees will become unavailable for election as Directors; however, if Mr. Goodstein and Mr. Hellerman should be unable to serve, the proxy will be voted for any other persons determined by the persons named in the accompanying forms of proxy in accordance with their judgment.

**Required Vote.** Mr. Goodstein and Mr. Hellerman be elected by a majority of the votes cast by the holders of shares of the Fund's common stock, present in person or represented by proxy at the Meeting, provided a quorum is present. A "majority of the votes" cast means that the number of shares voted "FOR" a Director's election exceeds 50% of the number of votes cast with respect to that Director's election. For purposes of the election of Directors, (i) votes cast shall include direction to withhold authority and (ii) abstentions and broker non-votes will be counted as shares present for quorum purposes, but otherwise will have no effect on the majority vote required for such Director.

<sup>(1)</sup> The Fund Complex is comprised of only the Fund.

<sup>(2)</sup> The address for all Directors and officers of the Fund is The Mexico Equity and Income Fund, Inc. c/o U.S. Bancorp Fund Services, LLC, 615 East Michigan Street, 4th Floor, Milwaukee, Wisconsin 53202.

<sup>(3)</sup> Prior to April 1, 2020, Mr. Hellerman was considered an "interested person" of the Fund within the meaning of the 1940 Act because he served as the Fund's Chief Compliance Officer.

The Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of the Board's effectiveness. The Board currently does not have a formal diversity policy in place. The Board determined that each of the Directors is qualified to serve as a Director of the Fund based on a review of the experience, qualifications, attributes and skills of each Director. In reaching this determination, the Board has considered a variety of criteria, including, among other things: character and integrity; ability to review critically, evaluate, question and discuss information provided, to exercise effective business judgment in protecting stockholder interests and to interact effectively with the other Directors, the Adviser, other service providers, counsel and the Fund's independent registered public accounting firm ("independent auditors"); and willingness and ability to commit the time necessary to perform the duties of a Director. Each Director's ability to perform his duties effectively is evidenced by his experience or achievements in one or more of the following areas: management or board experience in the investment management industry or companies in other fields, educational background and professional training; and experience as a Director of the Fund. Information as of October 18, 2022 indicating the specific experience, skills, attributes and qualifications of each Director, which led to the Board's determination that the Director should serve in this capacity, is provided below.

*Richard Abraham.*

Mr. Abraham has been a Director of the Fund since 2015. Mr. Abraham graduated magna cum laude with a degree in accounting and finance from the Wharton School of Business at the University of Pennsylvania. Mr. Abraham worked for 10 years as a computer systems analyst as an independent consultant. Mr. Abraham worked for 7 years as a currency trader and manager for the Professional

Edge Fund on the floor of The Philadelphia Stock Exchange. Mr. Abraham is currently self-employed as a securities trader.

*Rajeev Das.* Mr. Das has been a Director of the Fund since 2001. He has over 20 years of investment management experience and currently serves as the Head of Trading for Bulldog Investors, LLP, which serves as the investment adviser of Special Opportunities Fund, Inc. and separately-managed accounts. In addition to the Fund, Mr. Das serves as a director of one other closed-end fund. Mr. Das is currently the vice-president of a closed-end fund, where he previously served as a director.

*Phillip Goldstein.* Mr. Goldstein has been a Director of the Fund since 2000. Mr. Goldstein has over 25 years of investment management experience. He is currently a principal of Bulldog Holdings, LLC, the owner of several entities formerly serving as general partner of certain private investment partnerships, and is a partner in Bulldog Investors, LLP, which serves as the investment adviser of Special Opportunities Fund, Inc. and separately-managed accounts. Mr. Goldstein is also a director of three other closed-end funds and one subsidiary of a large commercial real estate company.

*Glenn Goodstein.* Mr. Goodstein has been a director of the Fund since 2001. Mr. Goodstein is a registered investment adviser with over 20 years of investment management experience. Prior to entering the investment management field, he spent 10 years in various management and executive positions with Automatic Data Processing, a NYSE-traded company.

*Gerald Hellerman.* Mr. Hellerman has been a Director of the Fund since 2001 and was its Chief Compliance Officer from 2004 through March 2020. Mr. Hellerman has more than 40 years of financial experience, including serving as a Financial Analyst and Branch Chief at the SEC, Special Adviser to the U.S. Senate Antitrust and Monopoly Subcommittee and as Chief Financial Analyst at the Antitrust Division of the U.S. Department of Justice for 17 years. He has served as a director of a number of public companies, including registered investment companies, and as a financial and corporate consultant during the period from 1993 to 2014.

Specific details regarding each Director's principal occupations during the past five years are included in the table above. The summaries set forth above as to the experience, qualifications, attributes and/or skills of the Directors do not constitute holding out the Board or any Director as having any special expertise or experience, and do not impose any greater responsibility or liability on any such person or on the Board as a whole than would otherwise be the case.

**Board Leadership Structure, Composition and Responsibilities.** The Board is responsible for overseeing the management of the Fund. The Board also elects the Company's officers who conduct the daily business of the Fund. The Board meets at least four times during the year to review the investment performance of the Fund and other operational matters, including policies and procedures with respect to compliance with regulatory and other requirements. The Directors interact directly with the Chairman of the Board, each other as Directors and committee members, the Fund's officers, and senior management of the Adviser and other service providers of the Fund at scheduled meetings and between meetings, as appropriate. Each Director was appointed to serve on the Board because of his experience, qualifications, attributes and/or skills as described above.

Currently, the Board is comprised of five individuals. Each member of the board, including the Chairman of the Board, Mr. Goldstein, is an Independent Director. Prior to April 1, 2020, Mr. Hellerman was considered an "interested person" of the Fund within the meaning of the 1940 Act because he served as the Fund's Chief Compliance Officer.

The Board believes that its structure facilitates the orderly and efficient flow of information to the Directors from the Adviser and other service providers with respect to services provided to the Fund, potential conflicts of interest that could arise from these relationships and other risks that the Fund may face. The Board further believes that its structure allows all of the Directors to participate in the full range of the Board's oversight responsibilities. The Board believes that the orderly and efficient flow of information and the ability to bring each

Director’s talents to bear in overseeing the Fund’s operations is important, in light of the size and complexity of the Fund and the risks that the Fund faces. Based on each Director’s experience and expertise with closed-end funds, the Board believes that its leadership structure is appropriate and efficient. The Board and its committees review their structures regularly, to help ensure that they remain appropriate as the business and operations of the Fund, and the environment in which the Fund operates, changes.

Currently, the Board has an Audit Committee, Nominating Committee and Valuation Committee. The responsibilities of each committee and its members are described below.

**Board’s Role in Risk Oversight of the Fund.** The Board oversees risk management for the Fund directly and, as to certain matters, through its committees. The Board exercises its oversight in this regard primarily through requesting and receiving reports from and otherwise working with the Fund’s senior officers (including the Fund’s President, Chief Compliance Officer and Chief Financial Officer), portfolio management and other personnel of the Adviser, the Fund’s independent auditors, legal counsel and personnel from the Fund’s other service providers. The Board has adopted, on behalf of the Fund, and periodically reviews with the assistance of the Fund’s Chief Compliance Officer, policies and procedures designed to address certain risks associated with the Fund’s activities. In addition, the Adviser and the Fund’s other service providers also have adopted policies, processes and procedures designed to identify, assess and manage certain risks associated with the Fund’s activities, and the Board receives reports from service providers with respect to the operation of these policies, processes and procedures as required and/or as the Board deems appropriate.

**Compensation of Directors.** Beginning in December 2021, the Fund pays each of its Directors who is not a director, officer or employee of the Adviser, U.S. Bancorp Fund Services, LLC, the administrator to the Fund (the “Administrator”), or any affiliate thereof an annual fee of \$30,000 plus \$500 for each special telephonic meeting attended. As additional annual compensation, the Chairman of the Fund will receive \$3,750, the Audit Committee Chairman and Valuation Committee Chairman will receive \$2,250, and the Nomination Committee Chairman will receive \$1,500. Each Director is entitled to receive such compensation for any partial quarter for which he serves. In addition to the aforementioned fees paid to Directors, the Fund reimburses Directors for travel and out-of-pocket expenses incurred in connection with attending meetings of the Board.

The table below details the amount of compensation the Fund’s Directors received from the Fund during the fiscal year ended July 31, 2022. The Fund does not have a bonus, profit sharing, pension or retirement plan. No other entity affiliated with the Fund pays any compensation to the Directors.

**Code of Ethics.** The Fund and the Adviser have each adopted a code of ethics pursuant to Rule 17j-1 under the 1940 Act and Section 204A and Rule 204A-1 under the Investment Advisers Act of 1940, respectively, that establishes procedures for personal investments and restricts certain personal securities transactions. Personnel subject to each code may invest in securities for their personal investment accounts, including securities that may be purchased or held by the Fund, so long as such investments are made pursuant to the code's requirements. Copies of these codes are available for inspection at the Public Reference Room of the SEC in Washington, D.C. Information regarding the operation of the Public Reference Room is available by calling the SEC at 1-202-551-8090. Copies of the Fund's and the Adviser's codes of ethics are also available on the EDGAR Database on the SEC's website at [www.sec.gov](http://www.sec.gov), and may also be obtained, after paying a duplicating fee, by electronic request at the following e-mail address: [publicinfo@sec.gov](mailto:publicinfo@sec.gov), or by writing the SEC's Public Reference Section, Washington, D.C. 20549-0102.

**Management Ownership.** To the knowledge of the Fund's management, as of October 18, 2022, the Directors and officers of the Fund beneficially owned, as a group, less than 1% of the shares of the Fund's common stock. The following table sets forth the aggregate dollar range of equity securities in the Fund that is owned by each Director, nominee for Director and officer as of October 18, 2022. The information as to beneficial ownership is based on statements furnished to the Fund by each Director, nominee for Director and principal officer:

**Director Transactions with Fund Affiliates.** As of July 31, 2022, neither the Independent Directors nor members of their immediate family owned securities beneficially or of record in the Adviser or any of its affiliates. Furthermore, over the past five years, neither the Independent Directors nor members of their immediate family have had any direct or indirect interest, the value of which exceeds \$120,000, in the Adviser or any of its affiliates. In addition, since the beginning of the last two fiscal years, neither the Independent Directors nor members of their immediate family have conducted any transactions (or series of transactions) or maintained any direct or indirect relationship in which the amount involved exceeds \$120,000 and to which the Adviser or any of its affiliates was a party.

**THE BOARD OF DIRECTORS, INCLUDING THE INDEPENDENT DIRECTORS, RECOMMENDS THAT THE HOLDERS OF THE FUND'S COMMON STOCK VOTE "FOR" THE ELECTION OF GLENN GOODSTEIN AND GERALD HELLERMAN AS CLASS III DIRECTORS OF THE FUND. ANY SIGNED BUT UNMARKED PROXIES WILL BE SO VOTED "FOR" THE ELECTION OF EACH OF THE NOMINEES.**

**PROPOSAL 2: APPROVAL OF AMENDED FUNDAMENTAL INVESTMENT RESTRICTION  
RELATING TO BORROWING**

The 1940 Act requires registered investment companies, like the Fund, to have "fundamental" investment policies governing specified investment practices. Investment companies may also voluntarily designate policies relating to other investment practices as fundamental. "Fundamental" investment policies can be changed only by a stockholder vote. The 1940 Act requires a fund to recite in its registration statement, among other things, its policy related to borrowing or issuing senior securities.

Currently, the Fund has a fundamental investment restriction that permits the Fund to borrow only for certain purposes, including, for example, for temporary or emergency purposes, up to 10% of its total assets, but which does not permit the Fund to borrow for investment purposes (i.e., leverage). Although there are no current plans to do so, the Fund's portfolio management team would like the ability in the future to issue senior securities, use leverage and/or to borrow in excess of 10% of the Fund's total assets. The Fund's Board has approved amending the Fund's fundamental investment restriction related to borrowing or issuing senior securities to permit the Fund to issue senior securities or borrow for any purpose, including investment purposes, up to the limit imposed by the 1940 Act, which is 331/3% of the value of the Fund's total assets, except with respect to amounts borrowed for emergency purposes, which are not subject to the 331/3% limit so long as they are repaid within 60 days and meet certain other criteria discussed further below. The Board is asking stockholders of the Fund to approve the proposed change.

The current and proposed fundamental investment restrictions related to borrowing or issuing senior securities are set out below:

<b>Current Fundamental Investment Restriction:</b>	<b>Proposed Fundamental Investment Restriction:</b>
<p>The Fund is not permitted to issue senior securities, borrow or pledge its assets, except that the Fund may borrow from a bank to make distributions required for the Fund to maintain its qualification as a regulated investment company under U.S. tax law, for temporary or emergency purposes or for the clearance of transactions in amounts not exceeding 10% (taken at the lower of cost or current value) of its total assets (not including the amount borrowed) and may also pledge its assets to secure such borrowings. Additional investments will not be made when borrowings exceed 5% of the Fund's assets.</p>	<p>The Fund is not permitted to borrow money or issue senior securities, except as permitted by the Investment Company Act of 1940 (the "1940 Act"), or any rule or order thereunder.</p>

The Fund's portfolio management believes that the use of leverage may help enhance returns in the long term and could thereby be beneficial to stockholders. The current fundamental investment restriction of the Fund related to borrowing and issuing senior securities was implemented over twenty-five years ago. The Fund's Board believes the policy is more restrictive than similar policies of other closed-end funds and the Fund's Board would like the policy to be amended to provide the Fund with the ability to enter into leverage arrangements. The Board has not approved any leverage arrangement with respect to the Fund and will not approve any leverage arrangement if stockholders fail to approve this proposal. If Proposal 2 is approved by the Fund's stockholders, the Fund would be permitted to engage in transactions such as borrowing through a credit facility, reverse repurchase agreements and issuance of convertible and non-convertible preferred securities and debt securities, which have the effect of leverage. The risks of leverage use are described below.

The costs of leverage, which would be dependent on the terms of the particular method of leverage utilized by the Fund, would increase the total expense ratio of the Fund. Any leverage arrangements entered into by the Fund would be subject to approval by the Fund's Board.

Pursuant to the Fund's investment advisory agreement with Pichardo Asset Management, S.A. DE C.V. (the "Adviser"), the Adviser is paid a monthly base fee, accrued daily at the annual rate of 1.00% of the Fund's average daily net assets, which is subject to a performance fee adjustment. Because the advisory fees are calculated based on the Fund's net assets, the use of leverage itself would not result in an increase in advisory fees payable to the Adviser; however, if such leverage were convertible into common stock, the Fund's net assets would increase upon such conversion which would result in increased advisory fees payable by the Fund. Thus, there is an inherent conflict of interest that may incentivize the Adviser to propose that the Fund engage in certain leverage transactions. However, the final determination as to the type and timing of any leverage arrangements entered into by the Fund would be subject to the approval of the Board, which is comprised solely of Independent Directors.

If Proposal 2 is approved by stockholders, the Fund will become subject to the risks of leverage, which are described below.

### ***More about Leverage and Leverage Risk***

Under the 1940 Act, the Fund is not permitted to issue senior securities if, immediately after the issuance of such senior securities, the Fund would have an asset coverage ratio (as defined in the 1940 Act) of less than 300% with respect to senior securities representing indebtedness (i.e., for every dollar of indebtedness outstanding, the Fund is required to have at least three dollars of assets) or less than 200% with respect to senior securities representing preferred stock (i.e., for every dollar of preferred stock outstanding, the Fund is required to have at least two dollars of assets). The 1940 Act also provides that the Fund may not declare distributions or purchase its stock (including through tender offers) if, immediately after doing so, it will have an asset coverage ratio of less than 300% or 200%, as applicable. Under the 1940 Act, certain short-term borrowings (such as for cash management purposes) are not subject to these limitations if (i) repaid within 60 days, (ii) not extended or renewed and (iii) not in excess of 5% of the total assets of the Fund.

Leverage involves certain additional risks, including the risk that the cost of leverage may exceed the return earned by the Fund on the proceeds of such leverage. The use of leverage will increase the volatility of changes in the Fund's net asset value, market price and distributions. In the event of a general market decline in the value of assets in which the Fund invests, the effect of that decline will be magnified in the Fund because of the additional assets purchased with the proceeds of the leverage. Financial markets have recently experienced extreme volatility and severe losses. To the extent that the Fund uses leverage during a period of market decline, any losses experienced by the Fund would be exacerbated. During a time of improving value in securities the Fund holds, leverage could enhance Fund returns.

In addition, funds borrowed pursuant a credit facility may constitute a substantial lien and burden by reason of their prior claim against the income of the Fund and against the net assets of the Fund in liquidation. In the event of an event of default under a loan facility, lenders may have the right to cause a liquidation of the collateral (i.e., sell portfolio securities and other assets of the Fund) and, if any such default is not cured, the lenders may be able to control the liquidation as well. A leverage facility agreement may include covenants that impose on the Fund asset coverage requirements, Fund composition requirements and limits on certain investments, such as illiquid investments or derivatives, which are more stringent than those imposed on the Fund by the 1940 Act.

## Additional Information about the Board of Directors

### Board Meetings and Committees.

During the fiscal year ended July 31, 2022, each Director and nominee for Director attended, in person or by telephone, at least seventy-five (75%) percent of all meetings of the Board (including regularly scheduled and special meetings) and of the Committees of which he is a member, held since his respective election. During the fiscal year ended July 31, 2022, the Board met five times.

**Audit Committee.** The Board has established an Audit Committee that acts pursuant to a written charter and whose responsibilities are generally: (i) to oversee the accounting and financial reporting processes of the Fund and its internal control over financial reporting; (ii) to oversee the quality and integrity of the Fund's financial statements and the independent audit thereof; and (iii) to approve, prior to the engagement of, the Fund's independent auditors and, in connection therewith, to review and evaluate the qualifications, independence and performance of the Fund's independent auditors.

Although the Audit Committee is expected to take a detached and questioning approach to the matters that come before it, the review of the Fund's financial statements by the Audit Committee is not an audit, nor does the Audit Committee's review substitute for the responsibilities of the Fund's management for preparing, or the independent auditors for auditing, the Fund's financial statements. Members of the Audit Committee are not full-time employees of the Fund and, in serving on the Audit Committee, are not, and do not hold themselves out to be, acting as accountants or auditors. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews. In discharging their duties, the members of the Audit Committee are entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by: (1) one or more officers of the Fund whom such Director reasonably believes to be reliable and competent in the matters presented; (2) legal counsel, public accountants, or other persons as to matters the Director reasonably believes are within the person's professional or expert competence; or (3) a Board committee of which the Director is not a member.

The current members of the Audit Committee are Messrs. Abraham, Das, Goldstein and Goodstein, each of whom is an Independent Director. None of the members of the Audit Committee has any relationship to the Fund that may interfere with the exercise of his independence from management of the Fund, and each is independent as defined under the listing standards of the New York Stock Exchange ("NYSE") applicable to closed-end funds. During the fiscal year ended July 31, 2022, the Audit Committee met two times.

**Nominating Committee.** The Board has established a Nominating Committee whose responsibilities are generally to seek and review candidates for consideration as nominees for Directors as is from time to time considered necessary or appropriate. The Nominating Committee has a written charter, a copy of which is available on the Fund's website at [mxfund.com](http://mxfund.com).

The current members of the Nominating Committee are Messrs. Abraham, Das, Goldstein, Goodstein and Hellerman. None of the members is an "interested person" within the meaning of the 1940 Act, and each is independent as defined under listing standards of the NYSE applicable to closed-end funds. During the fiscal year ended July 31, 2022, the Nominating Committee did not meet.

In nominating candidates, the Nominating Committee believes that no specific qualifications or disqualifications are controlling or paramount or that each candidate must possess specific qualities or skills. In identifying and evaluating nominees for Director, the Nominating Committee takes into consideration such factors as it deems appropriate. These factors may include: (i) whether or not such person is an “interested person” as defined in the 1940 Act, meets the independence and experience requirements of the NYSE applicable to closed-end funds and is otherwise qualified under applicable laws and regulations to serve as a member of the Board; (ii) whether or not such person has any relationships that might impair his or her independence, such as any business, financial or family relationships with Fund management, the Adviser or other service providers or their affiliates; (iii) whether or not such person is willing to serve, and willing and able to commit the time necessary for the performance of the duties of a Board member; (iv) such person’s judgment, skill, diversity and experience with investment companies and other organizations of comparable purpose, complexity and size and subject to similar legal restrictions and oversight; (v) the interplay of such person’s experience with the experience of other Board members; and (vi) the extent to which such person would be a desirable addition to the Board and any committees thereof.

It is the policy of the Nominating Committee to consider nominees recommended by Stockholders and so long as the Stockholders properly submit their recommendations in accordance with the requirements contained in the section entitled “Stockholder Proposals” below.

**Valuation Committee.** The Board has also established a Valuation Committee. Its purpose is to (i) review all monthly reports and any other interim reports regarding the valuation of securities in the Fund’s portfolio, and (ii) review and approve the valuation of all fair valued securities. This review shall include a review and discussion of an updated fair valuation summary with appropriate levels of representatives of the Adviser’s management. The Valuation Committee consists of Messrs. Abraham, Das, Goldstein and Goodstein, each of whom is an Independent Director. Although the Valuation Committee did not meet during the fiscal year ended July 31, 2022, the Valuation Committee took action to ratify all fair value securities at each quarterly Board meeting.

### Information Concerning the Fund’s Independent Registered Public Accounting Firm

Tait, Weller & Baker LLP (“Tait Weller”) audited the Fund’s financial statements for the fiscal year ended July 31, 2022, and has been selected as the Fund’s independent registered public accounting firm for the fiscal year ending July 31, 2023.

It is expected that representatives of Tait Weller will not be present at the Meeting but will be available by telephone should any matter arise at the Meeting requiring their presence.

With respect to Rule 2-01(c)(7)(i)(C) of Regulation S-X, there were no audit-related fees, or tax fees that were approved by the Audit Committee pursuant to the de minimis exception for the fiscal years ended July 31, 2022 and July 31, 2021, and there were no amounts that were required to be approved by the Audit Committee pursuant to the de minimis exception for the fiscal years ended July 31, 2022 and July 31, 2021 on behalf of the Fund’s service providers that relate directly to the operations and financial reporting of the Fund.

All of the services performed by Tait Weller, including audit related and non-audit related services, were pre-approved by the Audit Committee, as required under the Audit Committee Charter.

For the fiscal years ended July 31, 2022 and July 31, 2021, the aggregate fees billed by Tait Weller for non-audit services rendered on behalf of the Fund, the Adviser and any entity controlling, controlled by, or under common control with the Adviser that provides (or during such fiscal year provided) services to the Fund is shown in the table below.

The Audit Committee has considered and determined that the services provided by Tait Weller are compatible with maintaining Tait Weller's independence. The aggregate fees included in Audit Fees are fees billed for the calendar year for the audit of the Fund's annual financial statements.

**Audit Committee Pre-Approval.** The Audit Committee Charter contains the Audit Committee's pre-approval policies and procedures. The Audit Committee Charter can be found on the Fund's website at [http://www.mxefund.com/corporate\\_governance.html](http://www.mxefund.com/corporate_governance.html). Reproduced below is an excerpt from the Audit Committee Charter regarding such policies and procedures:

The Audit Committee shall:

approve prior to appointment the engagement of the auditor to provide other audit services to the Fund or to provide non-audit services to the Fund, its investment adviser or any entity controlling, controlled by, or under common control with the investment adviser ("adviser affiliate") that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund.

**Audit Committee Report.** The Audit Committee has met and held discussions with management of the Fund, the Administrator, and Tait Weller. Tait Weller represented to the Audit Committee that the Fund's financial statements were prepared in accordance with U.S. generally accepted accounting principles, and the Audit Committee has reviewed and discussed the financial statements with management of the Fund, the Administrator and Tait Weller. The Audit Committee also discussed with Tait Weller matters required to be discussed by Auditing Standard No. 16.

Tait Weller also provided to the Audit Committee the written disclosures required by Public Company Accounting Oversight Board Rule 3526 (Communication with Audit Committees Concerning Independence), and the Audit Committee discussed with Tait Weller its independence, in light of the services Tait Weller is providing.

Based upon the Audit Committee's discussion with management of the Fund, the Administrator and Tait Weller and the Audit Committee's review of the representations of the Administrator and the report of Tait Weller to the Audit Committee, the Audit Committee recommended that the Board of Directors include the audited financial statements in the Fund's Annual Report for the fiscal year ended July 31, 2022 filed with the SEC.
